Please comment on how well the activities, readings, lectures, and assignments helped you learn in this course.	2	Considering I missed many of his lectures and had to visit another section, I cannot offer much in the quality of all of Andres's lectures, but the few of his lectures I was able to attend, I felt more confident in my understanding of course material that had been introduced in previous lectures that week. Andres gave very good insight into the course material.	5	Very High	Very High	4-5 hours
	3	The problem sets were critical for my understanding of the content	4	Very High	Very High	4-5 hours
	7	They helped me practice the skills I learned in tutorial and with Stata.	4.3	Moderate	Moderate	2-3 hours
	9	They were essential in preparing me for the midterms.	4.4	Somewhat High	Very High	0-1 hours
	16	n/a	5	Very High	Very High	0-1 hours
Please identify areas where this instructor could improve his/her teaching.	2	As was unfortunately the case, my schedule often required I go to a different tutorial session, and as such, I feel like I am unable to provide any solid remarks on Andres's improvement. He was considerate of each student's journey with statistics and put forth his best effort on expanding on the foundations of our understanding.	5	Very High	Very High	4-5 hours
	3	There were a couple of times when the other tutorial sections were released early and our tutorial was held around 5 minutes late. On these days, he would sometimes tell us at the beginning of class that we were going to leave early. This was not a huge teaching flaw but it was slightly annoying	4	Very High	Very High	4-5 hours
	7	Not going over the time limit for class. Cutting out unnecessary stuff, overexplaining at times.	4.3	Moderate	Moderate	2-3 hours
	9	I think he could let us try and figure out the code during the first 15 mins of class and then let us work on it together from there.	4.4	Somewhat High	Very High	0-1 hours
	10	I have nothing.	4.3	Somewhat High	Somewhat High	2-3 hours
Please identify what you perceive to be the greatest strengths of this instructor's teaching.	16	n/a	5	Very High	Very High	0-1 hours
	2	As I said in the larger CIF section for Statistics for Econ, Andres welcoming personality and understanding nature helped provided a solid foundation in my understanding of statistics.	5	Very High	Very High	4-5 hours
	3	His humor and relatability	4	Very High	Very High	4-5 hours
	7	Open to helping students understand what they need to for success in the class.	4.3	Moderate	Moderate	2-3 hours
	9	His ability to explain the use of stata is extremely important to my understanding	4.4	Somewhat High	Very High	0-1 hours
Please identify what you perceive to be the greatest strengths of this instructor's teaching.	10	The instructor cared about taking his time to make sure students understood the material. Was very nice and respectful.	4.3	Somewhat High	Somewhat High	2-3 hours
